

Learning Project WEEK 4 - Animals	
Age Range: Y3/4	
Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> <li>Working on <a href="#">Times Table Rockstars</a> - your child will have an individual login to access this (<b>20 mins on SOUND CHECK</b>).</li> <li>If your child works on '<a href="#">Numbots</a>' in school they can access this with the same login.</li> <li>Play on <a href="#">Hit the Button</a> - focus on number bonds, halves, doubles and times tables.</li> <li>Adding totals of the weekly shopping list or some work around money. This <a href="#">game</a> could support work on adding money.</li> <li>Practise telling the time. This could be done through this <a href="#">game</a> (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes.</li> <li>Get a piece of paper and ask your child to show everything they know about <b>Division</b>. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be.</li> <li>Practise counting forwards and backwards from any given number in <b>2s (y3) and 100s &amp; 1000s (y4)</b></li> </ul>	<ul style="list-style-type: none"> <li>Log onto <a href="#">Read Theory</a> and complete 10mins reading and comprehension per day.</li> <li>You could share a story together. This could be a chapter book where you read and discuss a chapter a day.</li> <li>Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.</li> <li>Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?</li> <li>With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers</li> <li>Watch <a href="#">Newsround</a> and discuss what is happening in the wider world.</li> <li>Play this <a href="#">Kahoot</a>. Open until Friday 24<sup>th</sup> April. Game PIN: <b>04057012</b></li> </ul>
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> <li>Practise the Year 3/4 for <a href="#">Common Exception</a> words.</li> <li>Practise your spelling on <a href="#">Spelling Shed</a></li> <li>Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified?</li> <li>Choose 5 Common Exception words and practise spelling them using telephone words. Use a mobile phone keypad to find which number each letter is on, e.g spelling = 77355464.</li> </ul> 	<ul style="list-style-type: none"> <li>Write an email to a family member telling them all about how their week has been.</li> <li>Design an <a href="#">information leaflet</a> about an animal of their choice. Remember to use headings and subheadings.</li> <li>Write a description of a fictional animal that has just been discovered. Think about what it looks like, where it lives and what it eats. Draw a picture to show what this new creature is like.</li> <li>Write a set of instructions for how to look after a pet. Remember to include what you need and what you do.</li> <li>Write a haiku poem about a bird of prey using information gathered. <i>(Think carefully about a haiku's structure,</i></li> </ul>

Our thanks go to the team at our partner schools in Robin Hood MAT for sharing these ideas and allowing us to alter them to meet our needs at Hawes Side Academy

## Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about key animals they are interested in. Learning may focus on exploring the physical aspects of an animal, their habitat, categorising animals etc.

- **Let's Wonder:**

Create fact files about deadly predators. Draw pictures of the predators and label them with information they find out. Where does the predator live? Why does it live there? What does it eat? How does it capture its prey? What special qualities do these predators have? Make a [food chain](#) to demonstrate why a predator is at the top of the chain. They could make a set of [top trump cards](#) using the information they found out.

- **Let's Create:**

Explore the artist [Franz Marc](#). Find out who he was and what type of artist he was. What did he like to create pictures? Look at some of his paintings online. Then choose an animal to draw and add colour to, in a similar style to his. What do they think of his paintings? Did they like their finished piece of artwork? Why?/Why not?

- **Be Active:**

Get out into the garden and make a [bug hotel](#). Go on a mini beast hunt and record what they find. If they find any minibeasts they haven't seen before they could always look it up online. What can they find out about these amazing creatures? Create an animal or bug dance to express movement and linking moves. (Year 4 could upload these onto Edmodo).

***Recommendation at least 2 hours of exercise a week.***

- **Time to Talk:**

Find out which animals are their family members' favourites and why. Have a family debate about whether zoos should exist? Discuss whether they agree/disagree and why? Do their family members have a different opinion to them? Why not debate whether animals should be kept as pets?

- **Understanding Others and Appreciating Differences:**

Which animals are considered to be sacred around the world and why? [Sacred Animals](#)  
Who admires cows? Lions? Wolves? Which animals were important to the Egyptians and why?

## Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
