

# Home Learning Year 3

w/c 09/11/20

## English

This week we will together information about fables in preparation for writing our own.

**See the PowerPoint for instructions and resources.**

Day 1 – LG: to discuss and identify themes in a fable.

Day 2 – LG: to identify key points a plot's structure.

Day 3 – LG: to discuss and describe character traits.

Day 4 – LG: to create ideas for a new story.

Day 5 – Guided Reading.  
Choose a challenge. Read and complete the comprehension questions.

## Maths

This week in maths it is the final week of our block looking at addition and subtraction.

**Day 1: Add two 3-digit numbers- not crossing 10 or 100.**

Go through the attached ppt then complete the calculations on slide 3 of the ppt.

**Day 2: Add two 3-digit numbers- crossing 10 or 100**

Go through the attached ppt. Make addition calculations using a die, then find the answers using the expanded method. (See slide 7 of the ppt)

**Day 3: Subtract a 3-digit number from a 3-digit number- no exchange.**

Go through the attached ppt and watch the video up to 2mins 20secs, then complete the calculations on slide 8 (work these out using the expanded method)

**Day 4: Subtract a 3-digit number from a 3-digit number- exchange**

Go through the attached ppt and watch the video from 2mins 20secs to the end, then complete the calculations on slide 8

**Day 5: Estimate answers to calculations**

Go through the attached ppt then complete the worksheet.

## Topic

**This week in computing we are beginning to become illustrators!**

Your task is to:

- ❖ Refine your drawings of your characters
- ❖ Use '2 create a story' on Purple Mash to start writing your version of Charlie and the Chocolate Factory

**This week in RE we are looking at the wonderful Hindu festival called Diwali!**

Your task is to research about what happens during Diwali and also, watch this [video](#) to learn more about the origins of the festival and why it is so important to Hindus!
